

## **Important Information Regarding Classes Held At South Avenue Infants School, Sittingbourne**

The health and well-being of all SDC members is our absolute priority, so in light of the Coronavirus (COVID-19) pandemic and following advice from government to increase social distancing and avoid large gatherings, we, along with the school, have taken the decision to temporarily suspend all classes at South Avenue Infants School, Sittingbourne. This will be reviewed by us and the school on Monday 20<sup>th</sup> April 2020 when the school is due to reopen following the Easter break.

This is a developing and fast changing situation so we will keep you updated and as soon as we are able to resume our regular schedule of classes and events you will be informed.

We will miss seeing you all on a regular basis and hope that this situation lasts only weeks and not months.

Private tuition may still be available at Teynham Village Hall, Teynham, during this period of suspension so please contact your respective teacher to discuss the options open to you.

We would like to say thank you for your understanding and continued support of Star Dance Club during these uncertain times.

We are all part of the dancing community, so as self-isolation takes hold please reach out to others using the phone, email, Facetime etc. and don't suffer alone.

We wish you and your families and friends well and we look forward to seeing you all again when this is over,

**Jonathan, Emma and the SDC Team.**
